Sunday School Training set for September 11

Debi Gustafson, the interim Director of Family Ministry, has set September 11 for the Sunday school training. We will begin at 1:00 p.m. and hopefully be done by 3:00 p.m. She also will be available from 3:00 -- 8:00 p.m. for any youth, young family or education planning. Hopefully the new Director is hired and ready to work by this time.

Sunday School Rally Day is September 19!

Blood Pressures will be checked after each service today!

WELCA

Women of the ELCA will be meeting Wednesday (September 15) at 12:30 p.m. in the narthex.

Join these ladies in a discussion on how we read the Bible. You won't be disappointed!

Stone Soup on Labor Day

The kind folks at St. Stephens helped out the kind folks at First Presbyterian by doing Stone Soup (a free meal for the community) while the Presbyterians hosted the memorial service for our Jack Mitchell last Monday. Now, the St. Stephens folks have asked us to do Stone Soup for them next Monday, Labor Day. Atonement's Social Ministry Committee agreed to help out. If you want to help out, please contact Bruce McCain (541-444-1277) or Dee Waldo (541-563-5108).

September 19 Congregational Discussion with Gretchen Brauer-Rieke

Gretchen Brauer-Rieke will be moderating a discussion about becoming a Reconciling In Christ Congregation. She will be using a technique designed to facilitate difficult conversations. All points of view will be aired in a way that is nonthreatening and allows for really listening to and considering points of view that might differ from our own. Please come and be a part of it whether you agree or disagree. We begin at 12:00 p.m. and a light lunch will be served.

Coffee Hour

If you have a birthday in
September, please remember to
sign up on the bulletin board,
next to the Coffee Bar, to bring
treats, setup and cleanup after
services!
