### Quote of the Day

#### God Answers Prayer

I asked God for Strength, that I might achieve- I was made weak, that I might learn to obey.

I asked for Health, that I might do greater things- I was given infirmity, that I might do better things.

I asked for Riches, that I might be happy- I was given poverty, that I might be wise.

I asked for all things, that I might enjoy life- I was given life, that I might enjoy all things.

I got nothing that I Asked for, but everything I had hoped for.

Despite myself, my prayers were answered. I am among all men most richly blessed.
