"Darkness to Light- Stewards of Children"

Today!

It will be presented by the Child Advocacy Center and our trainers will be Megan Miller-Morgan and Dorinda Howden.

We will learn what we can do to both prevent child abuse and report it... we will have trained eyes and be able to keep our communities' children safe.

After the 11:00am service, a light lunch will be served by our Education Committee and the class will follow. There is no charge for this class, but contributions will gladly be accepted.
